

Welcome to the new season of the CHS Marching Band! Our band wears different uniforms and requires numerous uniform parts. The charts below should help you understand what parts are needed; which are covered through the band; and those you will need to provide by specific dates. This should be a refresher for veterans and a planning guide for new members.

DIFFERENT UNIFORMS

Competition:	Football:	Summer:
(Includes picture day and parades)	(After 2 nd football game)	(First 2 football games and Memorial Day Parade)
White Pants	Black pants	Khaki Pants-long
Jacket	Jacket	Polo-uniform shirt
		Belt-brown or black
“C” undershirt	“C” undershirt	
White socks	White socks	White socks
Dinkles (marching shoes)	Dinkles (marching shoes)	Dinkles (marching shoes)
Shako or beret	Shako or beret	
Gloves (white)—not pit or drummers	Gloves (white)—not pit or drummers	Gloves (white)—not pit or drummers
Gauntlets –(not pit or drummers)	Gauntlets –(not pit or drummers)	
	White wrist bands (only pit and drummers)	
Raincoats as needed		

Fittings will begin late June and continue through to the first week of band camp. If you want extra items (shirts etc.) above the minimum required, please let me know. It is **strongly** recommended that band student have two “C” shirts because most weekends include a Friday football game and a Saturday competition. New members will have uniform items ordered and invoices will be sent out some time after band camp weeks. Returning members will be asked what items are needed before ordering. Cash or check payments are accepted and checks should be made out to “**CHS Band Boosters**”.

*****IMPORTANT** note about personal clothing items under the white uniform pants: Students may sometimes travel in shorts/sweatpants and change into their uniforms on co-ed buses. Colors can be seen through the white pants. White shorts without logos or designs are required. As the weather gets colder, Under Armor type products have proven to be useful. Again, white is required. However, watch the neck lines. Some have a mock turtle neckline and can be seen and cannot be worn. Bulky pants and shirts need to be avoided as they will affect the fit of the uniform.

Varsity Wool Jackets are optional and must be paid in full upfront and are only available for sophomores and above. More info will come later for fitting dates for the jackets. Parents are welcome to come for these fittings.

Any used uniform items that are in good shape and no longer needed may be donated back to the band for other students to use. Students are encouraged to check these out before buying (especially the khaki pants).

If you have any questions or issues, feel free to contact anyone on the uniform committee. (Ellen Morgan, chair; Amy Fritz, co-chair). Ellen Morgan can be reached at (717) 579-1806 (leave a message) or uniforms@carlislehighschoolband.org. Here’s to a great year!
