

Dear Band Student and/or Parent,

The Carlisle High School Marching Band will be selling Pellman Desserts as our next fundraiser! Order forms and brochures will be put into the student's mailboxes on Thursday, October 11, 2018 during band rehearsal. Orders should be returned to the school by Friday, October 26. Someone from the Fundraising Committee will be at the school to collect order forms before and after practice on Thursday, October 25 as well as before and after the football game on Friday, October 26. Orders will be delivered to the school on Wednesday, November 14.

All checks should be made payable to CHS Band Boosters.

This fundraiser is a student fundraiser and proceeds from the sale will go directly into student accounts so students can start saving for next year's band trip! The profit earned per dessert is between \$4.00 and \$7.00, with an average profit of \$5.50.

If you have any questions about this fundraiser please send an email to fundraising@carlislehighschoolband.org.

Thank you!

The Fundraising Committee

Cheryl Gemmell, Maria Holsberger, and Heather Kronheim
